Application for Marriage

Congratulations on your decision to get married! The sacrament of Holy Matrimony is a wonderful experience through which you will encounter Christ in each other, establish a new family, and take part in a sacramental love. Only when God is the divine third partner in the union can the relationship truly be a sacramental marriage.

The wedding application for parishioner should be submitted to St. Patrick Cathedral at least 6 months to a year prior to the wedding date and Non-Parishioners should submit their application at least 9 months prior to the wedding date. Eligibility of the couple to marry is then decided. When the application is submitted to St. Patrick Cathedral, the wedding coordinator will contact you within a week after receiving the application and will start the procedure.
