SAMPLE GIFT PLAN (3 years)

The Sample Gift Plan Chart below offers various gift levels that can be pledged over a 3-year period. Each plan outlines the total gift amount, an optional 10% down payment, and flexible payment options, including annual, quarterly, or monthly installments. We've also provided a breakdown of the average daily sacrifice associated with each level, showing how a larger commitment can be manageable when spread over time.

Please note that any amounts you list will not be shared or used for any other purpose beyond determining the overall capacity for this study **This is just a preliminary study. The Cathedral is not asking for a pledges at this moment.**
